## **Enlighten product wins GRC Innovation Award**

Ideagen PLC (AIM: IDEA), a leading supplier of Information Management software to highly regulated industries, is pleased to announce that its cloud-based Enlighten product has been recognised for its technical innovation by the 4<sup>th</sup> Annual GRC 20/20 Awards.

The GRC 20/20 Awards recognise the leading GRC (Governance, Risk and Compliance) software products on the market. GRC 20/20 named Ideagen's Enlighten product as the most innovative product in its Environmental Health & Safety category. Judges were impressed with Enlighten's scalability, user experience, analytics and mobile capability.

Described by Ideagen as a "risk-based, ultra-modern GRC software product", Enlighten's users include a number of established organisations such as Virgin Rail, Haeco Group and Poundland.

**Michael Rasmussen, GRC pundit at GRC 20/20 and internationally recognised expert**, commented: "Ideagen's Enlighten has demonstrated GRC innovation in Environmental Health & Safety that delivers complete control, visibility and real time reporting across every aspect and detail of operational risks in an organisation.

"It is imperative that we recognise today's successes as a milestone toward advancing GRC maturity. In achieving maturity, GRC is part of the organisation's strategy and operations and supported by a range of technology, knowledge and services - enabling the organisation to achieve greater efficiency, effectiveness, and agility in GRC processes and broader business operations."

**David Hornsby, Chief Executive Officer of Ideagen, commented:** "This is an outstanding award and one that is testament to the hard work and effort that has gone in to the research and development of the Enlighten product.

"We believe that Enlighten is the most powerful, innovative and user friendly GRC product on the market and we are delighted that the capabilities of the product have been recognised by such a respected group of analysts in GRC 20/20."
