Board Appointment

Ideagen PLC (AIM: IDEA), a leading supplier of Information Management Software to highly regulated industries, is pleased to announce the appointment of Tony Rodriguez to its board of directors as a non-executive director with immediate effect.

Mr Rodriguez, aged 48, is an experienced technology entrepreneur and software developer. After an early career in a number of blue-chip technology companies, he founded Avellino Technologies Ltd in 1997, and personally led the development of its data profiling software product, now known as TS Discovery, before its acquisition in 2004 by Harte Hanks Trillium. Subsequently he founded X88 Software, since acquired by Experian in 2014, where he led, as CEO and CTO, the development of its data management product (now known as Experian Pandora), which was recognised as a visionary by Gartner.

Jonathan Wearing, Chairman, commented that:

"We are delighted that Tony has agreed to join the Board. He brings to Ideagen a wealth of experience in successfully developing and commercialising market-leading software, which will be extremely helpful as we continue to drive forward the growth of the business."

Further information, as required pursuant to Schedule 2(g) of the AIM Rules for Companies, are set out below.
